Fire Safety Week

This week marked the completion of our observation of National Fire Prevention Week (October 4th – 10th). A very special thank you to the parents who were able to assist our students on their fieldtrips to our neighborhood fire station. Watch MSYC's Shutterfly website for pictures! Fire safety is so important to teach our children. Check out this great website for kid friendly activity sheets and information you can share with your child: <http://www.usfa.dhs.gov/kids/flash.shtm>

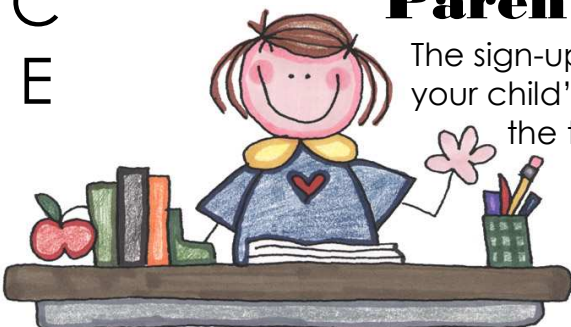

Missing Shoes!

A student in Miss Christie's class has lost her brand new indoor classroom shoes. These shoes are very special to this little girl so **please** look through your home for shoes that appear unfamiliar and match the description. They are Disney Princess pink glitter shoes that look like the ones pictured above. They are a size 10. If you locate these shoes please return them to Miss Christie. Thank you!

Parent-Teacher Conference Sign-up

The sign-up sheets for parent-teacher conferences are now available in your child's classroom. It is very important to us that parents meet with the teachers to receive information about their child's education. If it is inconvenient for you to come in to the school to sign up please contact Emily or Carrie in the office. (489-4366) They can reserve a time for you.

October 15, 2009 (cont.)

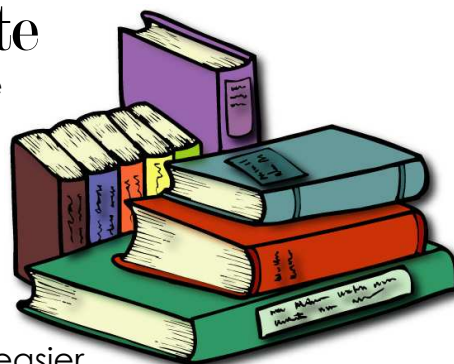

*Happy 40th Birthday Miss Kristin!!!
(October 17th)*

**Have fun in California
Miss Cindy and
Miss Sharon!**

Barnes and Noble Book Fair Update

The Barnes and Noble Book Fair is only 9 days away and we are still in need of volunteers! Please contact Emily or Carrie in the office (489-4366) if you can assist with face painting or reading a few books to children. This year Barnes and Noble changed the way it operates school book fairs. The cashiers will not be asking customers if they want Barnes and Noble to donate a portion of their purchase amount to MSYC. **Customers must request that Barnes and Noble make a donation.**

To make this easier for MSYC families we will be distributing stickers to wear the day of the fair that notifies the cashiers to make the donation. Please invite your friends and family to this FUN event! On Monday we will be sending home the stickers for your family to wear and to pass along to others. **Don't forget to mark your calendars: Southpointe Barnes and Noble, October 24th, 10am - 4pm!**

School Picture Previews

We have just a handful of students that still need to have their class photo taken by Casey Fritton. These photos are scheduled to be taken next Wednesday, October 21st. After this date Casey will be posting the students' photos on his website so parents can preview the results. Please watch next week for a note to be sent home that will contain the website and password information for viewing your child's photo.

Maria Montessori -

"This is the period in which discipline becomes established: a form of active peace, of obedience and love, when work is perfected and multiplied, just as when the flowers in spring get their colors and prepare a distant harvest of sweet and nourishing fruit."
