Hat and Mitten Tree

Each year MSYC collects new (or gently used) hats and mittens (or gloves!) to donate to an organization that assists children. This year MSYC will be donating its collected items to the Friendship Home of Lincoln which offers shelter and support for battered women and their children. This project is a learning tool for our students as they learn more about compassion and those in need. If you are interested in making a donation of any of these items please send them to MSYC with your child by December 17th. Thank you for your support!

If you need receipts for tuition payments made in 2009 please contact Emily in the office.
